PART V.

Official Papers.

Abstract of Season or Intermediate Reports for the Week ending 22nd January 1881.

Bangalore District.—Crops in good condition. Prospects favorable. Health generally good. Fever prevalent in some places, as also murrain. Price of ragi risen.

Kolar District.—Standing crops in good condition, except ballar and tuvar, which have been partially injured by insects. Prospects of season and public health good. Prices generally stationary.

Túmkúr District.—Vaisak wet crops in good condition. Ragi, dál and gram are being harvested. Prospects good. Fever prevalent, as also murrain among cattle in parts of the Maddagiri and Honnavalli Taluks. Prices slightly fallen.

Mysore District.—Three cents of rain at Mysore. Late crops being harvested. Prospects of season and public health good. Prices steady.

Hassan District.—Ten cents of rain at Hassan. Crops in good condition. Castor-oil seed and chillies were gathered. Prospects favorable. Health good. Cattle disease prevailed to a slight extent in the Haranhalli and Narsipur Taluks. Price of rice fallen, but that of ragi risen.

Shimoga District.—Picking of arecanut nearly completed. Sugar-cane is being cut and milled, avare is being reaped. The cotton crop is in good condition. Prospects good. Public health fair, except where fever is prevalent. Murrain prevalent in parts. Prices falling.

Kadur District.—Crops in good condition. Paddy, arecanut and coffee harvested in the Malnad Taluks. Out-turn fair. Prospects of season and public health generally good. Cattle disease prevailed in parts of the Lakvalli and Múdgere Taluks. Prices stationary.

Chitaldroog District.—Crops in good condition. Sugar-cane, horse-gram, avare, togari and castor-oil seed were harvested. The produce is estimated to be from 8 to 12 annas in the rupee. Prospects good. Fever and ague prevalent in some parts, as also murrain among cattle. Price of ragi and rice stationary; that of javari fallen.

Coorg.—Rice being reaped. Yield moderate. Ragi threshed. Picking coffee continues. Bad crop. Health improving.

By Order,

C. RANGACHARLU,
Revenue Secretary.

PART V.

Official Papers.

Abstract of Season or Intermediate Reports for the Week ending 29th January 1881.

Bangalore District.—Crops in good condition. Prospects favorable. Health generally good, but fever prevalent in parts. Murrain still continues in the Anekal and Devanhalli Taluks. Prices slightly fallen.

Kolar District.—Crops in good condition. Kartika paddy, green gram, horse-gram and ballar were harvested. Prospects hopeful. Fever prevalent in parts. Prices stationary.

Tumkúr District.—Standing crops in good condition. Prospects good. Fever prevalent in parts, and murrain among cattle in parts of Maddagiri and Honnavalli Taluks. Prices slightly fallen.

Mysore District.—Standing (sugar-cane) crops good; harvest mostly gathered. Prospects of season and public health good. Prices steady.

Hassan District.—Crops in good condition. Chillies were picked in the Belur Taluk, and paddy sown in Haranhalli. Prospects and health good, but cold, coughs and fever prevailed in the Manjarabad, Haranhalli and Channaraypatna Taluks. The condition of cattle is satisfactory, but rinderpest prevails to a slight extent. Price of rice risen.

Shimoga District.—Avare is being reaped. A four anna crop of sugar-cane has been cut and milled. Bengal-gram, green and black gram and cotton are in good condition. Arecanut picking nearly completed. Prospects good. Health fair, but fevers and diarrhœa prevalent. Murrain still prevalent in some parts. Prices falling.

Kadur District.—Crops in good condition. Prospects of season and public health good. Cattle disease prevailed in some parts only of the Tarikere, Banavar and Lakvalli Taluks. Prices stationary.

Chitaldroog District.—Crops in good condition. Sugar-cane is being planted in parts of the Davangere Taluk. Avare, togari and cotton were gathered in parts. Prospects good. Fever and ague prevalent in some parts. Cattle suffering from murrain, especially in the Pavagada Taluk, where wet cultivation has been retarded in consequence. Prices fallen.

Coorg.—Rice harvest nearly completed. Yield fair. Picking coffee continues. Crops bad. Health fair.

By Order,

C. RANGACHARLU,
Revenue Secretary.

PART V.

Official Papers.

Abstract of Season or Intermediate Reports for the Week ending 5th February 1881.

Bangalore District.—Crops in good condition. Prospects fair. Health generally good. Fever prevalent in some parts. Cattle still affected with murrain in the Anekal and Devanhalli Taluks. Price of ragi stationary, that of rice slightly risen.

Kolár District.—Crops in good condition. Horse-gram, ballar and tuvar were harvested, and sugar-cane milled. Prospects favorable. Health generally good. Prices fallen in parts.

Túmkúr District.—Crops in good condition. Prospects of season good. Fever and whooping cough prevalent, also murrain among cattle in parts of the Maddagiri Taluk. Prices falling.

Mysore District.—Standing crops in good condition. Prospects of season and public health good. Prices stationary.

Hassan District.—Crops in good condition, excepting avare and togari which are attacked by insects in the Nagamangala Taluk. Paddy being sown in the Nagamangala and Haranhalli Taluks. Sugar-cane was cut and several dry crops reaped in parts. Prospects favorable. Public health good, except in three taluks where fever, coughs and colds were prevalent. Cattle in good condition. Price of ragi fallen.

Shimoga District.—Crops in good condition, except in the Honnali Taluk where togari and Bengal-gram were attacked by insects. Sugar-cane has been partly cut and milled. Prospects good. Health fair, fevers, cough and diarrhœa prevalent. Murrain continues to prevail in some parts. Prices slightly fallen.

Kadur District.—Crops in good condition. Paddy has been harvested and coffee and arecanut picked. Sugar-cane is being cut. Prospects good. Public health generally fair. Cattle disease still prevalent in parts.

Chitaldroog District.—Crops in good condition. Togari, avare, wheat, channa and horse-gram were harvested. Prospects good. Fever in some parts. Murrain, &c., still prevalent in all the taluks except Dodéri. Prices stationary.

Coorg.—Threshing rice commenced. Yield fair. Coffee picking nearly finished. Crop bad. Health good.

By Order,

C. RANGACHARLU,
Revenue Secretary.

THE

MYSORE GAZETTE.

Published by Authority.

BANGALORE, SATURDAY, FEBRUARY 26, 1881.

☞ Separate paging is given to this Part in order that it may be filed as a separate compilation.

PART V.

Official Papers.

Abstract of Season or Intermediate Reports for the Week ending 12th February 1881.

Bangalore District.—Crops in good condition. Prospects favorable. Fever prevalent in all the Taluks of the District. Murrain continues in the Anekal, Devanhalli and Hoskote Taluks. Prices fallen.

Kolar District.—Standing crops in good condition. The milling of sugar-cane and the harvesting of ballar and tuvar is continued. Prospects fair. Public health good. Cattle disease has reappeared in the District. Prices stationary.

Túmkúr District.—Crops in good condition. Prospects fair. Fever and cough prevail in parts as also murrain among cattle in the Maddagiri Taluk. Prices of food grains falling.

Mysore District.—Standing crops in good condition. Oil seed partially harvested. Prospects of season very good. Public health good. Prices stationary.

Hassan District.—Crops in good condition. Paddy, sugar-cane, oil seed, chillies, avare and dál were reaped. Prospects favorable. Health good, except in two Taluks where fever and cold were prevalent. Prices stationary.

Shimoga District.—Sugar-cane has been partially cut and milled. Avare and Bengal-gram are being reaped in the Maidan Taluks. Black and green gram in Sorab and Vaisak paddy in Nagar are in good condition. Prospects good. Public health fair. Murrain still prevalent in some parts. Prices stationary.

Kadur District.—Standing crops in good condition. Sugar-cane is still being cut. Prospects of season and public health good. Cattle disease still prevalent in parts, but on the decrease. Prices falling.

Chitaldroog District.—Crops in good condition. Sugar-cane is being milled in parts. Paddy was shown in the Pavagada, Dodéri and Budihal Taluks. Prospects good. Fever prevalent in three of the taluks. Murrain still prevalent in parts. Prices stationary.

Coorg.—Rice is being threshed. Crops fair. Picking coffee over. Crop bad. Health good.

Abstract of Season or Intermediate Reports for the Week ending 19th February 1881.

Bangalore District.—Crops in good condition. Prospects fair. Fever prevalent throughout the District, as also murrain among cattle. Price of ragi slightly risen, that of rice stationary.

Kolar District.—Crops in good condition. Ballar, tuvar and Bengal-gram were harvested and sugar-cane milled. Prospects good. Fever prevalent in parts. Cattle disease continues. Prices stationary.

Túmkúr District.—Standing wet crops in good condition. Prospects of season good. Fever prevalent in parts, also murrain among cattle in the Maddagiri Taluk. Prices falling.

Mysore District.—Standing crops (sugar-cane) in good condition. Prospects of season very good. Health good. Prices stationary.

Hassan District.—Four cents of rain at Hassan. Crops in good condition. Transplanting and sowing of paddy continued in the Manjarabad and Haranhalli Taluks. Bengal-gram, avare and oil-seed were reaped in the Belur and Haranhalli Taluks, and sugar-cane in the former taluk. Prospects favorable. Public health good, but fever and cough prevailed in two taluks. Condition of cattle satisfactory, but foot and mouth disease prevalent in one hobli of the Haranhalli Taluk. Price of rice risen, that of ragi and gram fallen.

Shimoga District.—Harvesting of sugar-cane in progress. Jowari is being reaped. Prospects good. Public health fair. Murrain still prevalent. Prices stationary.

Kadur District.—Standing crops in good condition. Prospects of season and public health generally good. Cattle disease prevalent in parts, but the condition of cattle is very much improved. Prices stationary.

Chitaldroog District.—Later crops in good condition. Threshing of corn continued. Prospects good. Fever prevalent in some parts, as also murrain. Prices risen.

Coorg.—Rice being threshed. Crop fair. Health good.

By Order,

C. RANGACHARLU,
Revenue Secretary.
